RE: FCC PCII Certification Request for QUADRANT TECHNOLOGY (SHENZHEN) CO., LTD. (FCC ID: A5JC10150) We are submitting an application for a class II permissive change to the QUADRANT TECHNOLOGY (SHENZHEN) CO., LTD., product description: + Cam (FCC ID: A5JC10150), Original Grant Date:12/28/2011.

There is no hardware or electrical modification made to the applying transmitter itself. The change filed under this application includes the following changes:
Because of the needs of customers, we added external adapter to test for Original product.

- (1) Change the model of the equipment, the old model name is QCP-A100 and IP-200 change to new model name is QCP-A100, QCP-A200, the QCP-A100 is original.
- (2) Added the three pieces adapter.

We hereby certify that no party to this application is subject to a denial of benefits, including FCC benefits, pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C.853(a).

Please contact me if you have any questions or need further information regarding this application.
Sincerely,

Signature
