Safety Information

Please read the following safety instructions and follow all usual safety precautions before using this product. Any operation inconsistent with this instruction manual may cause damage to the product.

● Pay attention

1. Only authorized technicians can disassemble the product. Users are not advised to disassemble the product by themselves.
2. Do not touch the battery slot /USB port/power cord when your hands are wet. Do not put the product near cigarette butts, lighters or other open flames. Do not bend the wire excessively, or place heavy objects or sharp objects on the machine.
3. Do not use this product in humid environment (such as bathroom).
4. Please remove the battery from the machine before the product is scrapped.
5. When removing the battery, ensure that the product is not powered on.
6. Safely collect the used batteries.

▲ warning

1. Do not use the product in the environment with open flame or fragile products.
2. Do not use the product in extremely hot (above 40 °C) or extremely cold (below 0 °C) environment.
3. Do not use the product on wet or stagnant ground.
4. Do not burn the product even if it has been severely damaged. The product battery may explode as a result.
5. After unwrapping all packaging, keep all packaging materials out of reach of children. Do not allow children to play with these packaging materials to avoid accidental absorption and suffocation.

Basic parameters

Product Name	Lenovo M120pro Wireless mouse
Product model	M120pro Wireless mouse
Product size	(L)115*(W)61*(H)37mm
Receiver size	19*13.5*4.5mm
Receiver weight	1.65g
Product weight	89g
Voltage /current	1.5V_15mA
DPI	1000
Receiving distance	10 Meter
USB type	2.0
2.4G interface return rate	250Hz
Battery type	1 AA battery
Product standard	Q/HDLCS0083
System compatibility	Windows7/8.1/10/Mac OS

Regulatory and Legal Information

FCC Compliance Statement

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Lenovo is not responsible for any radio or television interference caused by using other than recommended cables and connectors or by unauthorized changes or modifications to this equipment. Unauthorized changes or modifications could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Industry Canada Compliance Statement

CAN ICES-003(B) / NMB-003(B)

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions: (1) This device may not cause interference. (2) This device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

This equipment complies with Industry Canada radiation exposure limits set forth for an uncontrolled environment. Cet équipement est conforme à l'exposition aux rayonnements Industry Canada limites établies pour un environnement non contrôlé.
