

MG880F

MG680F

The models MG880F and MG680F same as appearance, dimensions, PCB mother board and PCB sub board, only difference is MG880F with Qi WPT wireless charging receiver function, and MG680F without Qi wireless charging function as based on the model MG880F removed the Qi WPT Rx coil and related Qi peripheral circuitry.

TENERG
 可充式锂离子蓄电池 Rechargeable Lithium-ion Battery
 型号/Model 代号: TE-PL403035
 额定电压/Nominal voltage (标称电压): 3.7V
 额定容量/Nominal capacity (标称容量): 300mAh 1.400Wh
 Manufacturer/制造商: 深圳特安盛电子有限公司
 Shenzhen Teneng Electronics Co., LTD
 生产日期: 2021.12.20 11NP43035
 Made in China/在中国制造

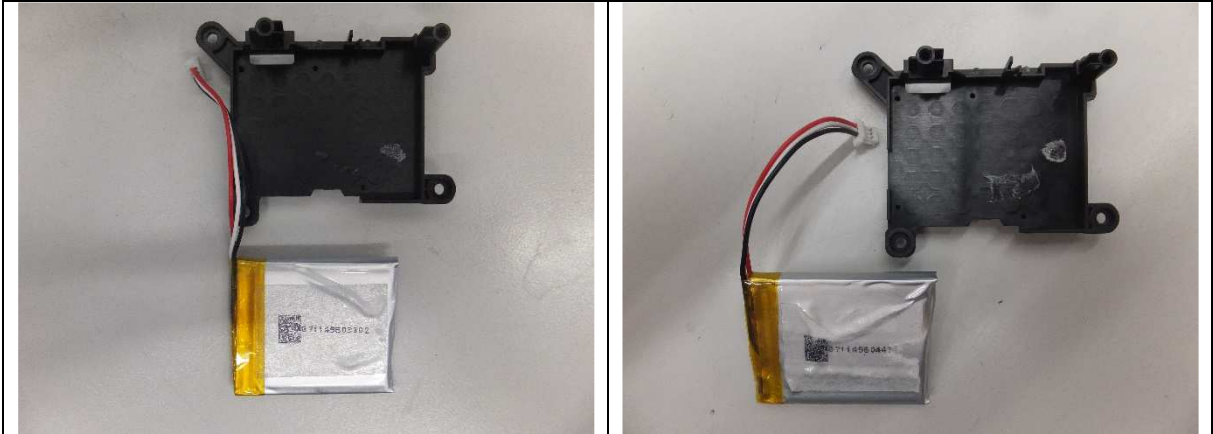

CAUTION:
 Do not short circuit or disassemble
 the battery unit to be the battery
 heating or close to the fire

AS No: 02-6298-0032
