FCC Authorization & Evaluation Division
7435 Oakland Mills Road
Columbia, Maryland 21046

Reference: FCC ID: A5UXPWG3

Ladies and or Gentlemen:

Whirlpool Corporation would like to request a Class II Permissive Change for the XPWG3 module to add connectors and 2 external antennas to the existing certification noted above. In addition, we would like to request to include 2 additional configurations that depopulate components in the digital communication and power supply area. The radio transmitter and associated circuitry remains identical to the existing product.
