MOVE PV: MODEL TABLE COVER LETTER

SUBJECT: IC: 11454A-EA144 FCC ID: A7FEA144

May 30, 2023

Timco Engineering, Inc.
849 NW State Road 45
Newberry, FL 32669

To Whom It May Concern:

To assist with the understanding of the MOVE PV Trolling Motor IC: 11454A-EA144, FCC ID: A7FEA144, form, fit, and function throughout the various models, I am providing the following table to clarify the differences between various models. **Note that the PCBA and radio antenna structure are electronically identical in all models.** The only difference between models is the shaft length and the color of the unit.

Model Number	Shaft Length	Color
MV-PV-45-BK	45"	Black
MV-PV-52-BK	52"	Black
MV-PV-60-BK	60"	Black
MV-PV-72-BK	72"	Black
MV-PV-45-WT	45"	White
MV-PV-52-WT	52"	White
MV-PV-60-WT	60"	White
MV-PV-72-WT	72"	White
