BACK VIEW

The image shows the back view of a Toshiba DVD/VCR deck. It features a rectangular panel with several circular mounting holes. On the left side, there is a single large circle. In the center, there is a 3x4 grid of smaller circles, with a small square hole in the bottom-left position of the grid. On the right side, there are two large circles stacked vertically. A dashed rectangular box is located on the right side of the panel, and an arrow points from the top-right corner of the label area in the image above to this dashed box.
