Subject: Consumer Booster Attestation

Dear Sir/Madam:

We hereby request certification under part 20.21 rules for a Consumer Booster. We hereby acknowledge and agree to comply with Consumer Booster requirements for this equipment as listed in 47 CFR part 20 and KDB 935210.

Furthermore we hereby attest that

- a) All marketing materials for this product will be restricted to individual consumer use only; we will avoid any references to “office,” “commercial,” “industrial” or any similar marketing statements;
- b) Network Protection Standard (NPS) and other compliance/safeguard feature have been implemented;
- c) NPS and other compliance/safeguard features are defaulted to “ON” configuration (in operation);
- d) NPS and other compliance/safeguard features cannot be field reconfigured, disabled or removed;
- e) Consumer booster is not user programmable, does not need fine tuning or adjustment, does not require professional installation;
- f) Future software upgrade will not cause non-compliance; and
- g) There is no access for third party configuration of frequency, power or any other regulatory parameters.

Sincerely,

A handwritten signature in black ink, appearing to read 'YuChi', is written over a faint, light-colored circular stamp or watermark.
