Re:Certification for Clarion Corporation Of America A8DGEN3-1D

Please find enclosed application materials for certification of Clarion Corporation Of America A8DGEN3-1D. Note that portions of this submittal are filed Confidential.

**Current Variants:**

There are two variants of the EUT, as tested. Both variants contain electrically identical Bluetooth radio modules with built-in antenna, but variant Model: PU-3582B-A employs a CD player as part of its digital components, while variant Model: RU-9461B-A does not employ a CD player.

If there are any questions regarding the application or testing performed, please contact us at the above address or call (734) 252-9785, or e-mail info@wrtest.com.

Sincerely,

Joseph D. Brunett  
Willow Run Test Labs, LLC
