

The CE mark consists of the letters 'C' and 'E' in a stylized, bold, sans-serif font. The 'C' is on the left and the 'E' is on the right, both with a slight curve to their top and bottom edges.

IC: 3232A-302211  
Industry Canada

The FCC mark consists of the letters 'F' and 'C' in a stylized, bold, sans-serif font. The 'F' is on the left and the 'C' is on the right, both with a slight curve to their top and bottom edges. The 'C' is partially enclosed by a circular shape.

This device complies with part 15 of the FCC Rules.  
Operation is subject to the following two conditions:  
(1) this device may not cause harmful interference, and  
(2) this device must accept any interference received,  
including interference that may cause undesired operation.  
FCC ID: A94-302211
