

**-Similarity Declaration-**

Date: June 8, 2016

**Products:**

**TO WHOM IT MAY CONCERN**

We,

BOSE Corporation  
The Mountain  
Framingham, MA 01701USA

Hereby declare that:

1. Our Bluetooth Headset, model \_\_\_AF1\_\_\_ listed in the table below, is essentially the same device as the tested model \_\_\_AI1\_\_\_.
2. Our Bose Bluetooth Headset Model \_\_\_AF1\_\_\_ and Model \_\_\_AI1\_\_\_ use the same exact RF printed circuit board and therefore all the RF traces, antenna and components are the same.

Name: SOUNDSPORT PULSE  
Brand: Bose  
Model: AF1

3. The differences listed do not affect the radio characteristics.

**Tested Model: \_\_\_AI1\_\_\_**

Brand: BOSE Corporation

4. Bose takes full responsibility for data re-use of model AI1 for model AF1.

Bluetooth Headset Information of variant model:

Model No.	Difference from the Tested Model
AF1	Heart rate sensor contained in the left earbud.

Sincerely,

---
