**Inquiry on 01/16/2017 :**

**Inquiry:**

Dear Sir/Madam,

I would like to submit the Justification letter for FCC review and approval on the exempt of FCC ID, IC NO. and Certification logo on Product body for my product according to the guidelines specified in "784748 D01 Labelling Part 15 18 Guidelines v08".

The product is a wireless headphone using Bluetooth technology. The product surface is spherical and there is not enough space to show the certification logo, FCC drawing with dimensions and Justification letter are attached for your reference.

Could you please help review them and advice?

Best regards,  
Silvia

Correct the justification letter to read FCCID and not FCCID and FCC logo.

The FCC ID(s) can go into the manual and if the manual is not provided at the time of sale it should go into the quick guide pamphlet, packaging or compliance pamphlet at the time of delivery.

Thanks again!

Best regards,
