In re: **NEC Corporation of America.**
FCC ID: A98-CUL7580
FCC Part 15, 22 & 24 Certification
Request for Confidentiality

Gentlemen:

In accordance with 0.457 and 0.459 of CFR 47, NEC Corporation of America hereby requests confidentiality of the attachments for the subject application.

- Block Diagrams.(**permanently** confidential)
- Circuit Diagrams. (**permanently** confidential)
- Circuit Descriptions. (**permanently** confidential)
- Parts List and Tune Up Procedure. (**permanently** confidential)
- Internal Photos. (**180** days short term confidential)
- External Photos. (**180** days short term confidential)
- User Manual. (**180** days short term confidential)
- SAR Test Setup Photos. (**180** days short term confidential)
- Test Setup Photos. (**180** days short term confidential)

Those documents contain detailed system and equipment description and related information about the product which NEC Corporation of America considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis from which future technological products will evolve, NEC Corporation of America considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,
