In re: **NEC Corporation of America.**
FCC ID: A98-DDD0625
FCC Part 15, 22 & 24 Certification
Request for Confidentiality in Class II Permissive Change

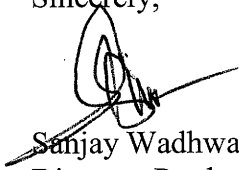

Gentlemen:

In accordance with 0.459 of CFR 47, NEC Corporation of America hereby requests confidentiality of the attachments for the subject application.

- Block Diagrams.(**permanently** confidential)
- Circuit Descriptions. (**permanently** confidential)

Those documents contain detailed system and equipment description and related information about the product which NEC Corporation of America considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis from which future technological products will evolve, NEC Corporation of America considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

Sanjay Wadhwa

Director, Product Validation
Radio Communications Systems Division
