Dear Joe:

Submitted herewith, on behalf of NEC America, Inc., is an amendment in response to your e-mail dated 09/13/1999 requesting additional information for the subject application.

1. We confirm that the correct emission designator is 30K0DXW (99% occupied bandwidth).
2. Attached are the 99% occupied bandwidth plots for both frequency bands.

Should you have any further questions regarding the above, please contact the undersigned.

Thank you.
