CAUTION LABEL

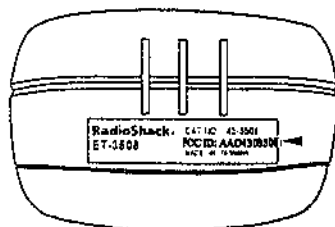

THIS TELEPHONE'S BATTERY  
IS NOT YET CONNECTED OR  
READY TO USE!

Before you use the phone, follow the directions  
in the owner's Manual to:

1. Open the handset's battery compartment,  
put in the supplied battery, then connect it  
(if necessary).
2. Hook up the phone and plug it in.
3. Put the handset on the base and let the battery  
charge for at least the amount of time  
shown in the Owner's Manual.
