In accordance with 2.933(b) of the FCC Rules. I hereby request a Unique FCC ID for a product we will be manufacturing for RadioShack.

The RadioShack version (Cat. No. 49-2535T) is identical in construction to the X10 version (Model XX10A) except for labeling and plastic cabinet. The internal PCB and circuitry of models XX10A and 49-2535T are identical. RadioShack require a unique Cat. No. for marketing reasons only.

Model XX10A has FCC ID B4SXX10A.
Model XX10A was granted on 1/13/00.
Cat No. 49-2535T will have FCC ID AAO4902535T.

I have electronically filed FCC Forms 731 and 159.

I have electronically filed a PDF of the back of the unit showing label placement.

Sincerely,

Dave Rye
Vice President/Technical Manager
