

Subject : Change in FCC ID

We will submit a new application with the following statement in accordance with the provision in Sec.2.933 for the change in FCC ID.

- (1) Granted FCC ID for the original equipment : CVTRN6700H
- (2) Granted date of the original equipment : September 18, 1996
- (3) Model number of the original equipment : TN6700H
- (4) Difference between the original equipment and the newly applied equipment :
Trade name and FCC ID
- (5) The original test results are regarded as representing the new model because of
no change in electric construction from the original model.
