RE: Certification Application
FCC ID: AB6NT1900SFRM

Dear Sir/Madam

Please accept this application for the certification of the product filed under Part 2 Subpart J, for equipment operating under Part 24, Subpart E of the regulations of the Federal Communications Commission. Under a formal agreement, Sanmina-SCI is filing this application for equipment authorization on behalf of Nortel Networks.

The product for which authorization is sought is Nortel Network's 1900 MHz CDMA Single-carrier Flexible Radio Module (SFRM). All detailed information is included in the respective exhibits as required by the Rules. Note that the SCPA assembly has achieved stand-alone certification by the manufacturer Spectrian Inc, under FCC ID I2O-ORIOLE1.
