Subject: Response to Inquiry to FCC (Tracking Number 297959)

Inquiry:

---Reply from Customer on 10/03/2007---

Gentlemen last week a permit but ask request was submitted for FCC ID: AB6NT2100MFRM3. ATCB is wondering what the status of this request is. Can we proceed with the grant of this application? thanks

Response:

AB6NT2100MFRM3 approved for e-filing upload, and approved for grant, contingent upon following:

if not in exhibits already, please include info to address:

Application filings should address at a minimum:

1) Please identify, justify, and describe:

- a) specific RF Profiles, certification profiles, test cases, test scripts that are appropriate for and were used to test this device, among those in the applicable conformance documents and standards
 - b) relevant subclause cross-references to RF conformance test documents and standards, also info about availability of applicable standards
 - c) specific modulations, subchannelizations, permutations used for each test
 - d) specific test eqpt and setup info and installed options/add-ons
- 2) Description of smart-antenna and/or beamforming modes if applicable
