Request for Confidentiality

Pursuant to Sections 0.457 and 0.459 of the commissions rules, we hereby request that the following documents be held confidential:

Attention: Reviewing Engineer:

This letter serves as an official request for confidentiality under FCC Rules noted above. Nortel Networks formally request that the following documents required for submission with this application be withheld from public review.

1) All Nortel Networks Schematics, Block Diagrams, Sub-assemblies and PCB details.
2) All Nortel Networks Parts Lists associated with this product: NTE301BA including any Sub-assemblies, Parts Lists, and associated Assembly Drawings and Parts Lists for NTE300BG and NTE350BG.

3) Any submitted Technical Descriptions, Technical Documents provided for information or clarification purposes that can be withheld from public view

The documents are Nortel Networks company proprietary information (or that of our suppliers provided exclusively for approval disclosure purposes only) which if disclosed to the general public would compromise the intellectual property and result in a detrimental impact to our product and that of our suppliers. Please contact the undersigned should there be additional information required.

Sincerely,

David Choi
