RE: FCC ID: AB6OUTS1200
Attention: Glen Moore

I have a few comments on this Application.

- 1 Please note that the comments in section 3.3.1 concerning power limitations are incorrect. The comments appear to be a compilation of parts 22 and 24. Please correct the comments to reflect the proper Part 22 and Part 24 ERP and EIRP limits.
- 2 Please note that the manual refers to a document that you have not provided. It refers to NTP 01 BSS Overview as a location for FCC regulatory information. Please provide this document or please specify where the FCC regulatory information is contained in the documents provided.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
