

EXHIBIT 9**Internal Photographs**

(Pursuant to FCC Part 2.1033(b)(7), 2.1033(c)(12) and RSP 100 Annex C)

The following photographs are attached.

Exhibit

1.	Internal Front View – Transceiver Module	9A
2.	Chassis and housing Back View – Base Radio	9B
3.	Internal Top View – Transceiver Module, Circuit Board	9C
4.	Internal Top View – Transceiver Module, Control Section	9D
5.	Internal Top View – Transceiver Module, Exciter Section	9E
6.	Internal Top View – Transceiver Module, Receiver Section	9F
7.	Internal Top View – Power Amplifier Module, Cover Removed	9G
8.	Internal Front View – Power Supply Module	9H
9.	Internal Top View – Power Supply Module, Circuit Boards	9I
10.	Internal Top View – Backplane	9J
11.	Internal Top View – Transceiver Option Card (TOC)	9K
12.	Internal Bottom View – Transceiver Module	9L
13.	Internal Bottom View – Power Amplifier Module	9M
14.	Internal Bottom View – Power Supply Module, Circuit Boards	9N
15.	Internal Bottom View – Backplane	9O
16.	Internal Bottom View – Transceiver Option Card (TOC)	9P

Exhibit 9A – Internal Front View – Transceiver Module

Transceiver Module without the Transceiver Option Card (TOC)

Transceiver Module with the Transceiver Option Card (TOC) Installed

Front View of Base Radio Showing Transceiver Module with TOC Installed and Identifying Connections

Exhibit 9B – Chassis And Housing Back View – Base Radio

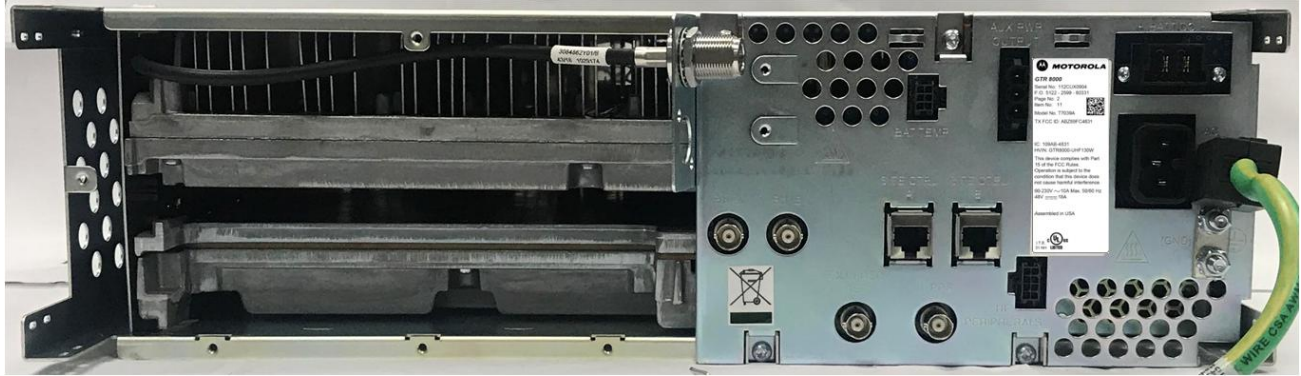

Exhibit 9C – Internal Top View – Transceiver Module, Circuit Board

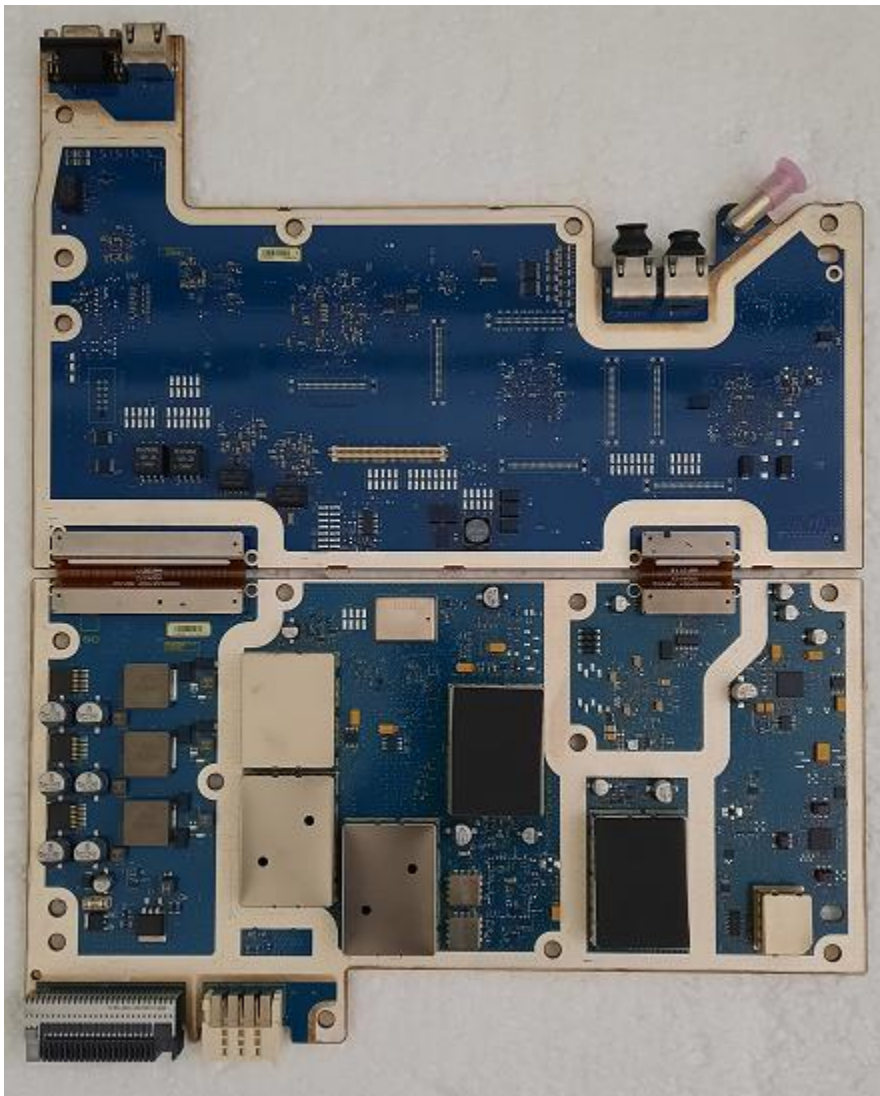

Exhibit 9D – Internal Top View – Transceiver Module, Control Section

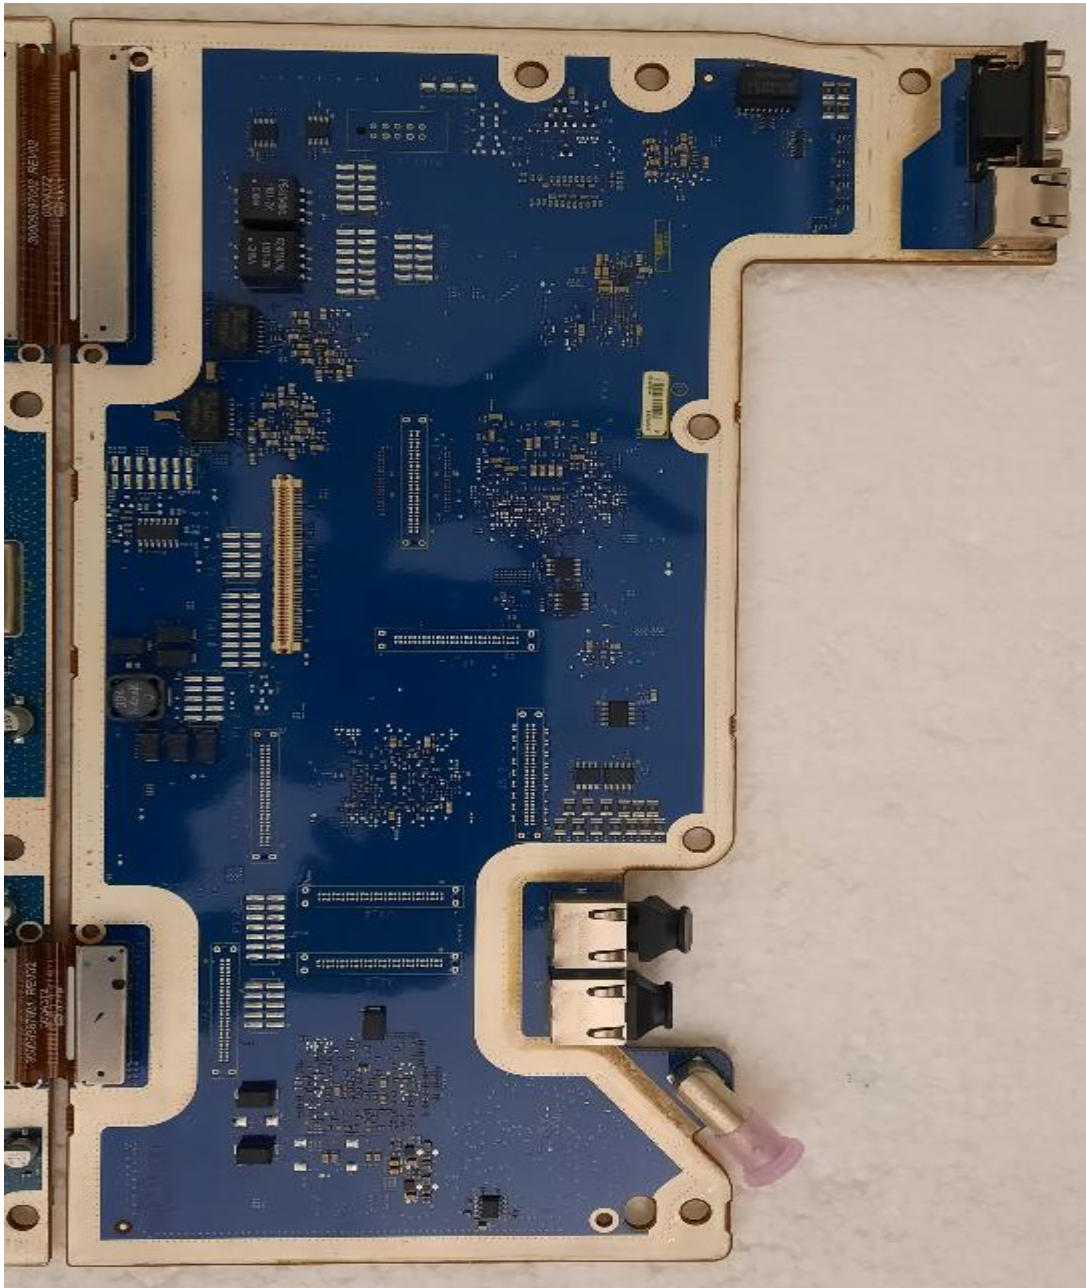

Exhibit 9E – Internal Top View – Transceiver Module, Exciter Section

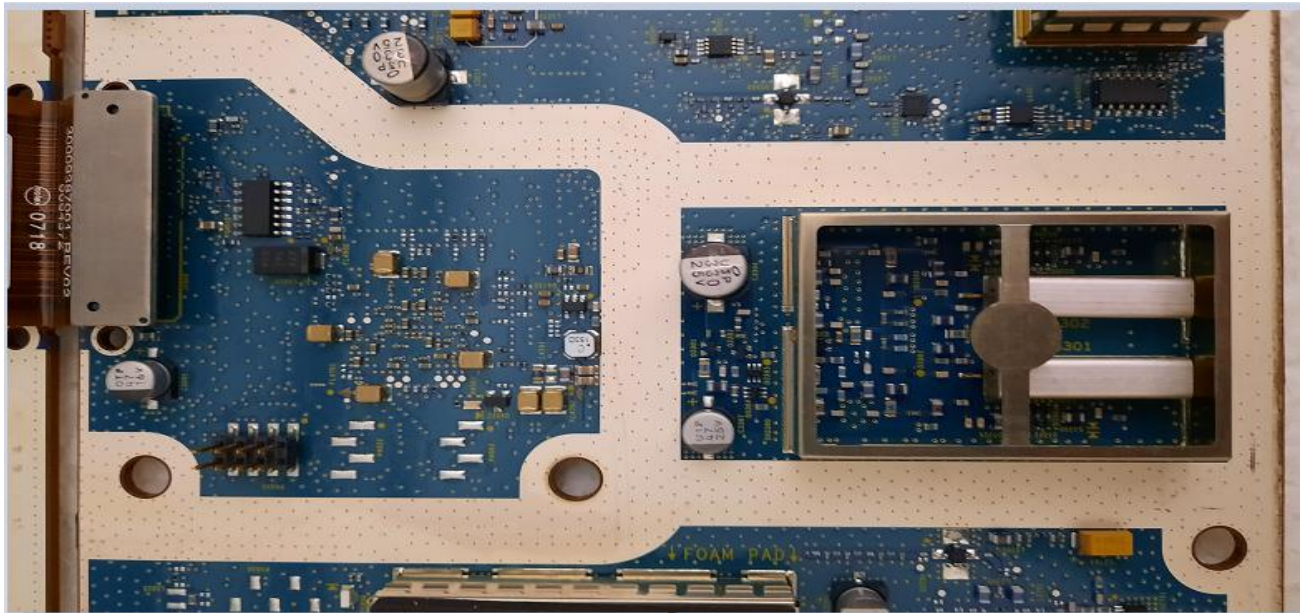

Exhibit 9F – Internal Top View – Transceiver Module, Receiver Section

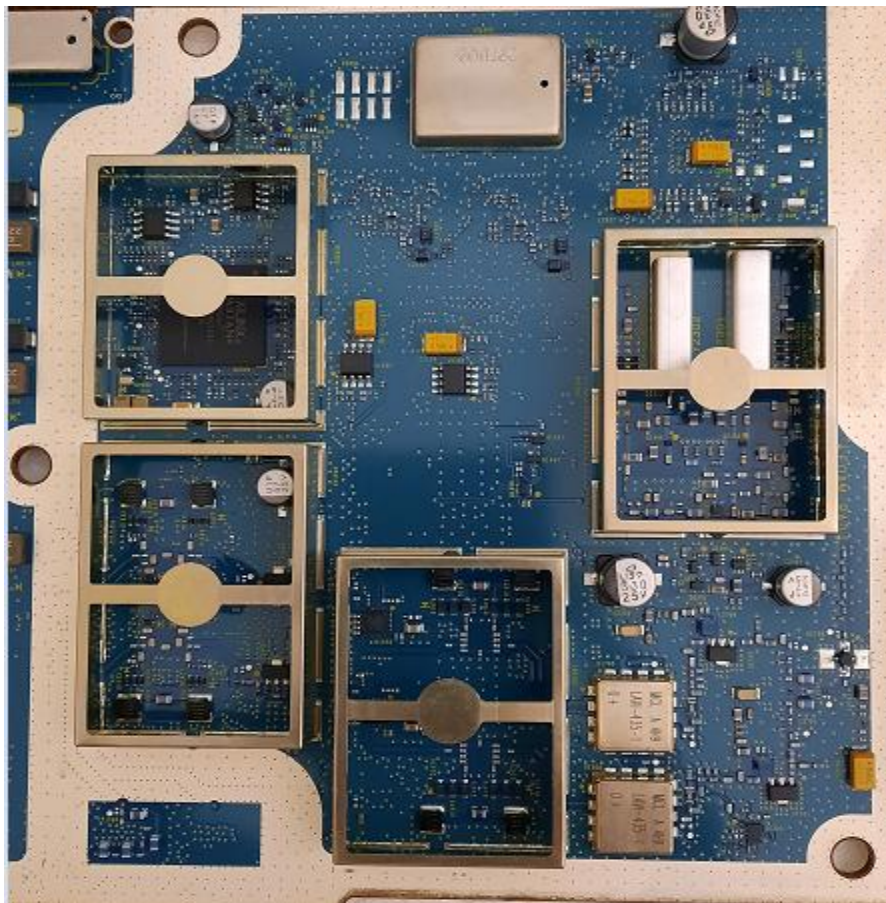

Exhibit 9G – Internal Top View – Power Amplifier Module, Cover Removed

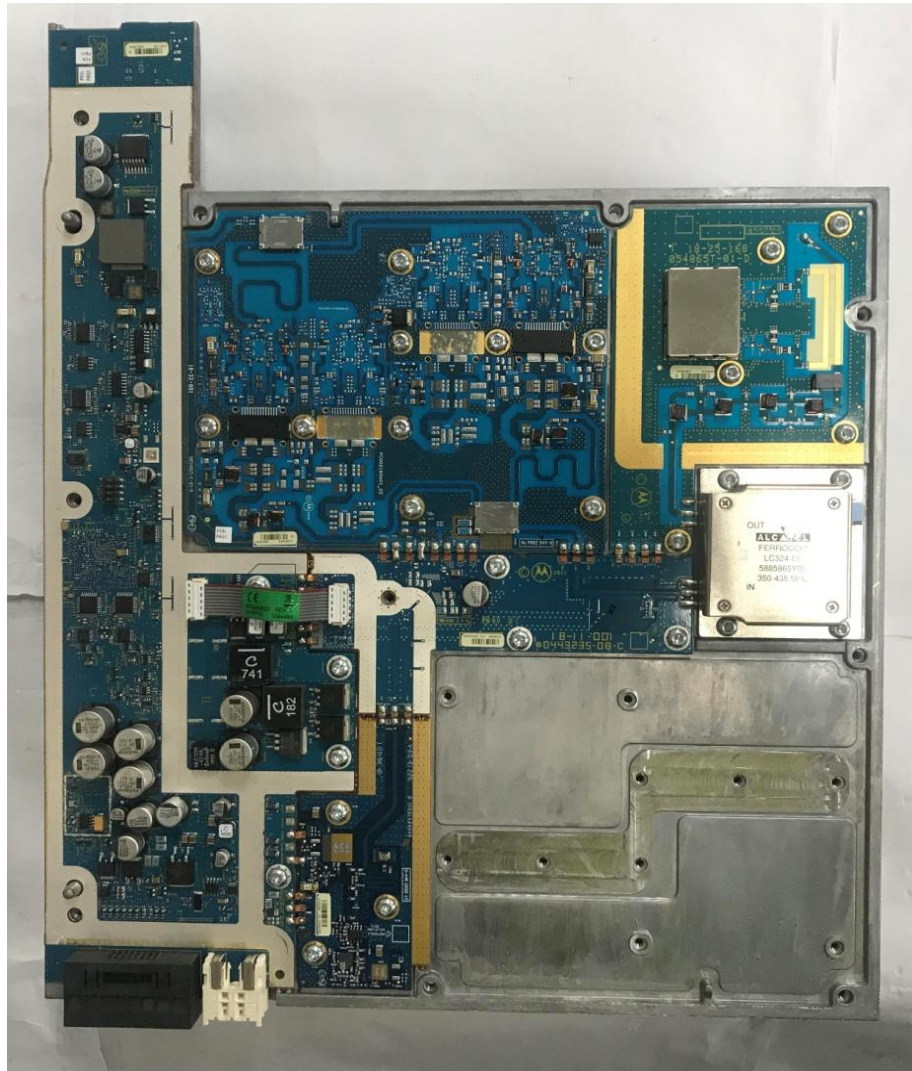

Exhibit 9H – Internal Front View – Power Supply Module

Exhibit 9I – Internal Top View – Power Supply Module, Circuit Boards

Exhibit 9J – Internal Top View – Backplane

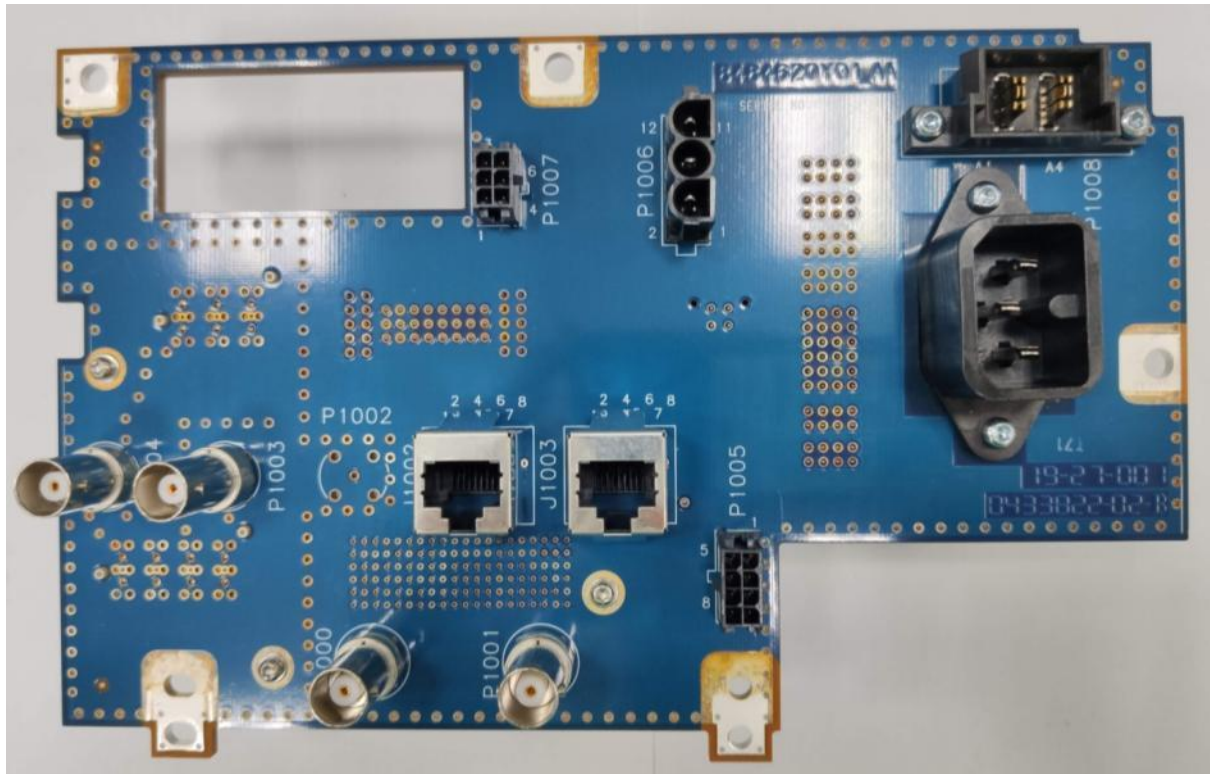

Exhibit 9K – Internal Top View – Transceiver Option Card (TOC)

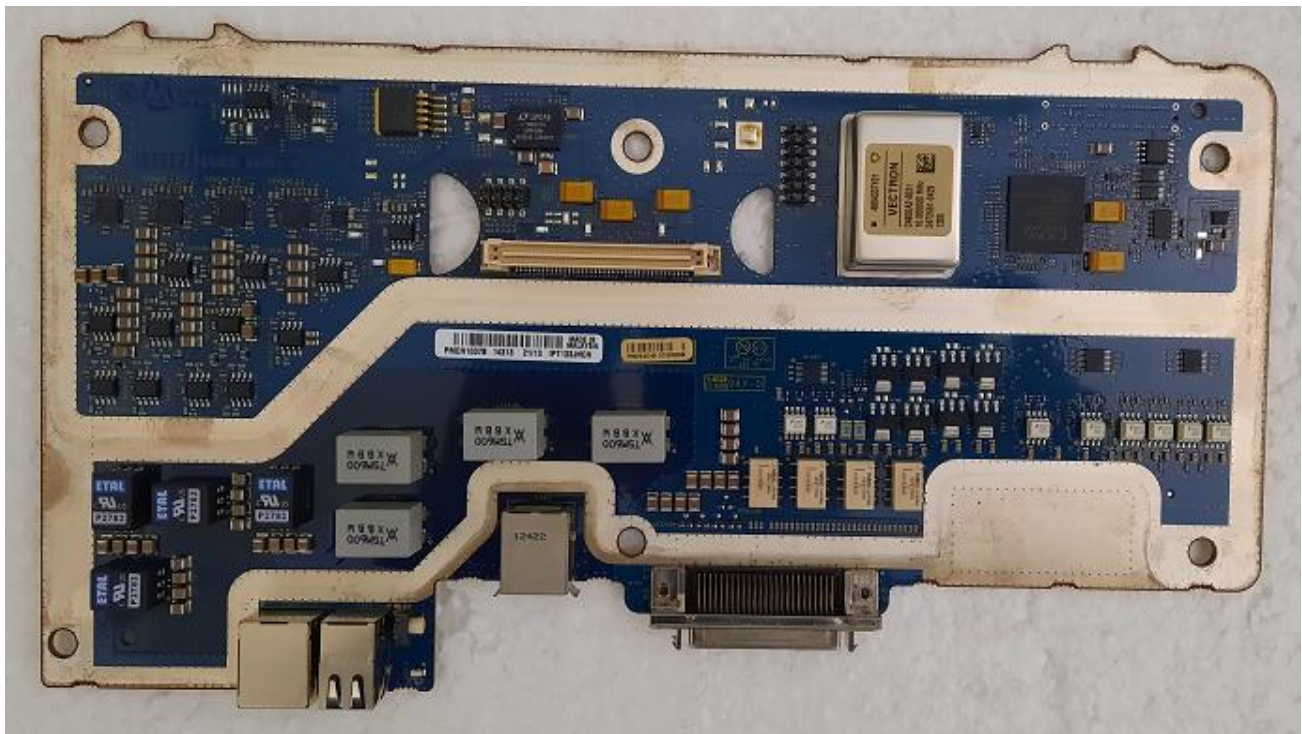

Exhibit 9L – Internal Bottom View – Transceiver Module

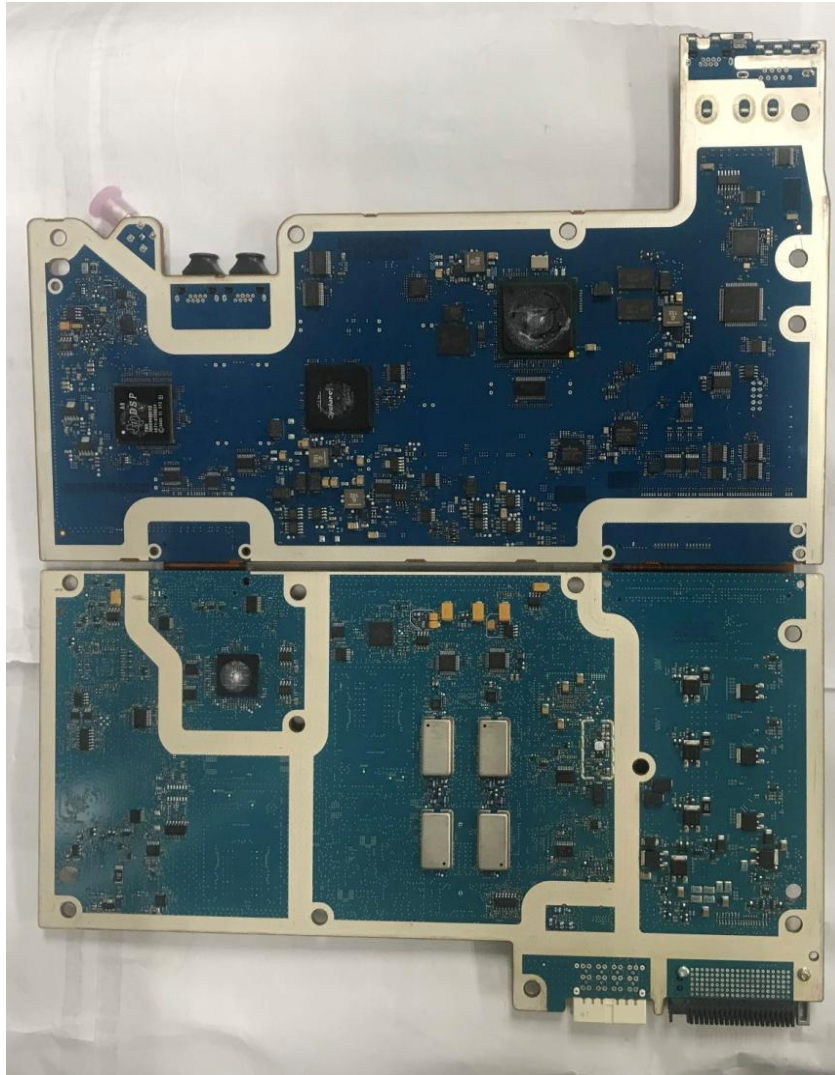

Exhibit 9M – Internal Bottom View – Power Amplifier Module

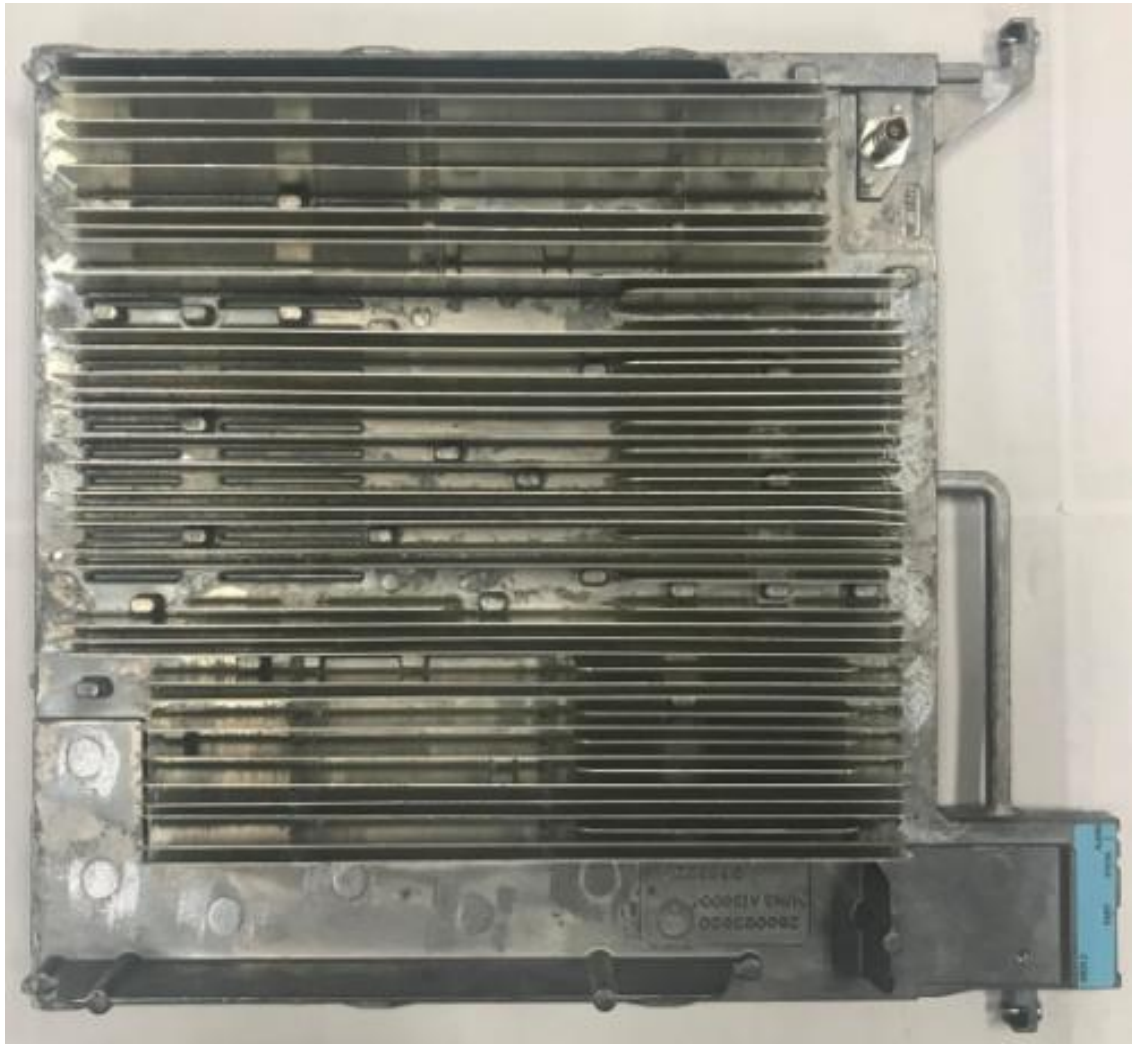

Exhibit 9N – Internal Bottom View – Power Supply Module, Circuit Boards

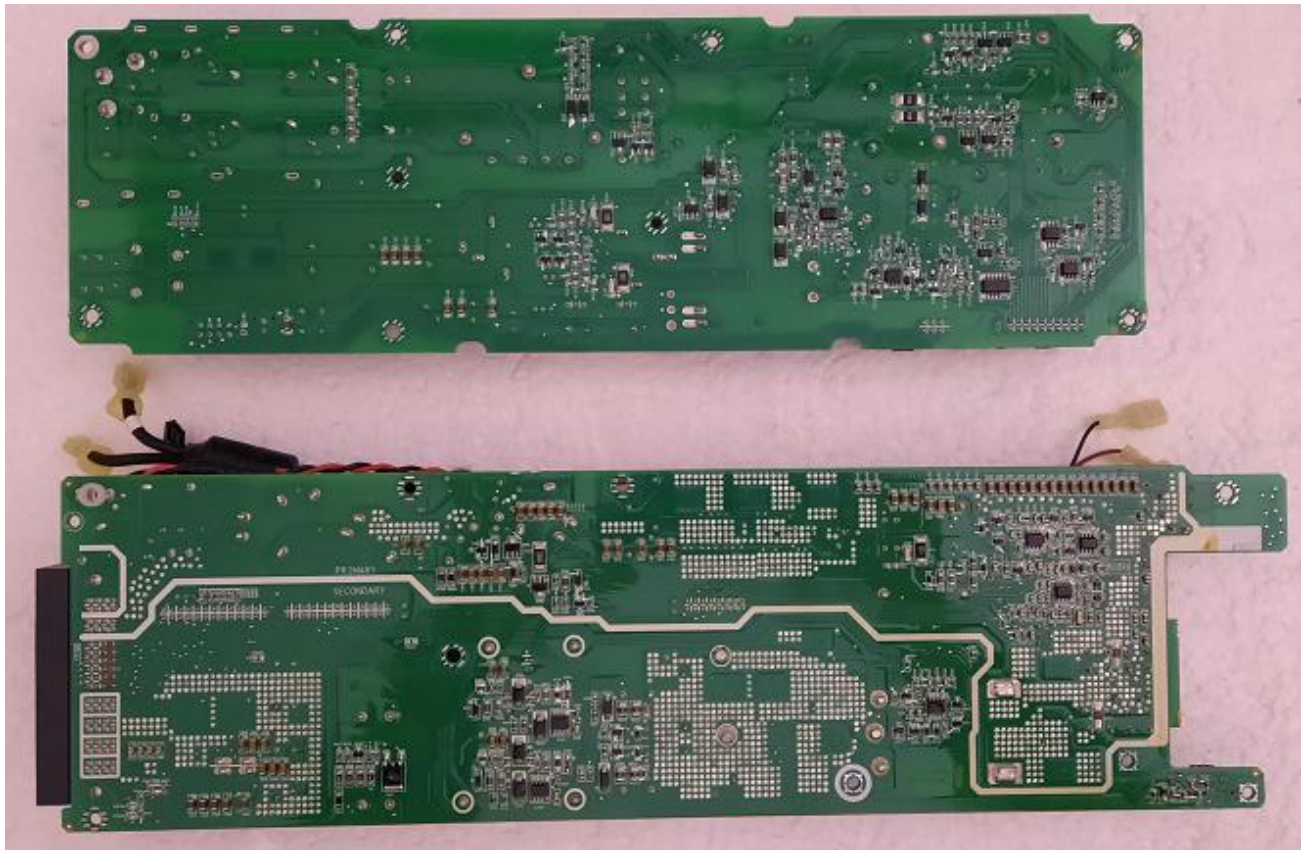

Exhibit 9O – Internal Bottom View – Backplane

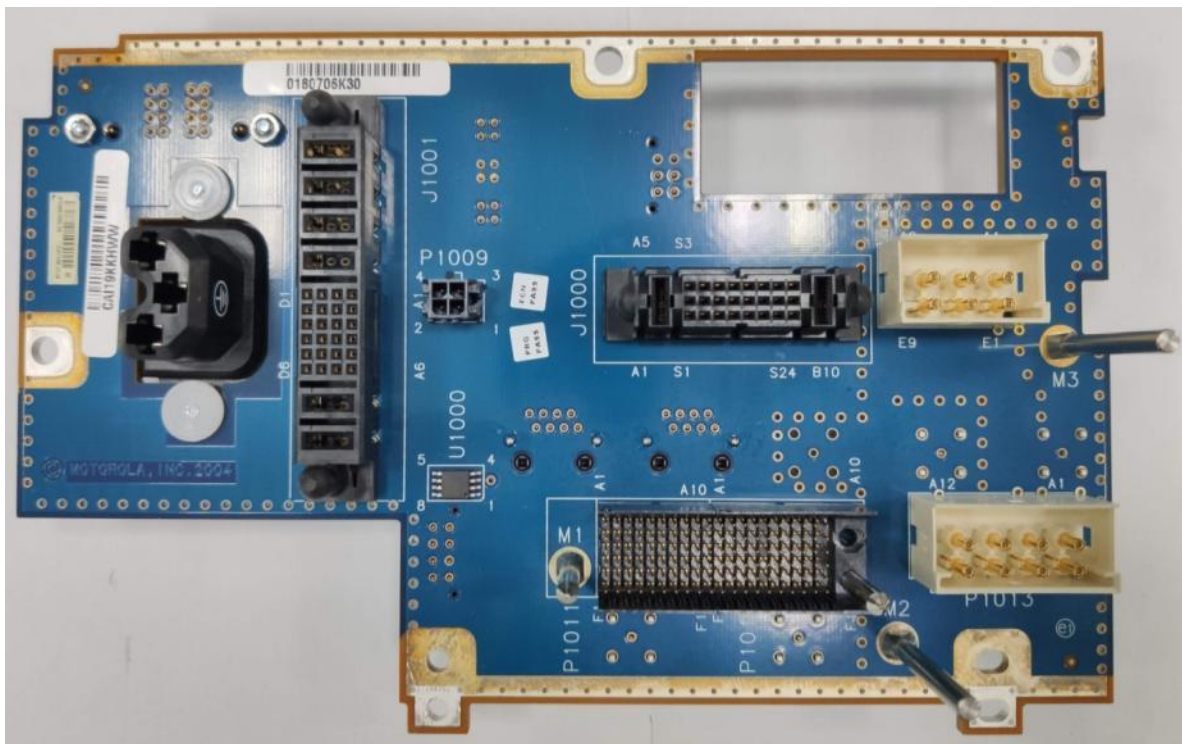

Exhibit 9P – Internal Bottom View – Transceiver Option Card (TOC)
