To Whom it may Concern,

Compliance of SAR for Bluetooth Radio Adapter (RBA)

Motorola Bluetooth Radio Adapter (RBA) Model number HHLN4125 FCC Type ABZ99FT7002. Used in combination with any Motorola Radio products for which is physically designed for attachment, approved by or under approval by the FCC, does not affect the measured radio SAR level. Our calculations show lower SAR levels with this radio combination, than are present with other approved combinations.
