Columbia, Maryland 21046

Re: Original Certification for Panasonic Data Archiver, Model LB-DM9A under FCC ID: ACJ-LB-DM9A
(FCC Part 15C Low Power Communication Device Transmitter / Contains 13.56 MHz RFID Module)

To whom it may concern:

Please be notified that Panasonic Corporation of North America authorizes Yoshihisa Maeda of Consumer Technology Division, UL Japan, Inc. to act on our behalf, signing of FCC Form 731 and all other related documentation to support Certification of FCC ID: ACJ-LB-DM9A. Any and all acts carried out by them for the subject approval, shall have the same legal authority as acts on our own behalf. This authorization is valid for one year period from the date of this letter.

As defined in 47 CFR Ch. 1.2002 (b), we further certify that neither the applicant nor any party to this application is subject to a denial to Federal benefits, including FCC benefits, pursuant to section 5301 of the Anti-Drug Abuse Act of 1998, 21 U.S.C. 835(a).

This application for equipment approval has not been submitted to another TCB for certification.

Also, this product will be FCC Part 15B authorized under Verification for product classification Class A Computing Device Peripheral.

Please advise the undersigned if you have any questions or comments.

Sincerely yours,

Richard Mullen
