Re: Original Certification for Car Audio with Bluetooth Transmitter, Model AN1703 under
FCC ID: ACJ932AN1703

To whom it may concern:

We, Panasonic Corporation of North America, hereby declare that Car Audio using FCC ID: ACJ932AN1703 contains the same BT module as Car Audio with currently Certified FCC ID: ACJ932AN1701. We also declare that the RF characteristics of the two FCC ID's are the same.

We therefore request to refer to and reuse the antenna terminal conducted test data in report No. 11573340S-A-R1 under FCC ID: ACJ932AN1701 which was granted on march 2, 2017.

Thank you for your attention to this matter.
