This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and
(2) this device must accept any interference received, including interference that may cause undesired operation.
This device complies with part 15 of the FCC Rules. Operation is subject to the condition that this device does not cause harmful interference.

This system contains software that is licensed to Panasonic Corporation by one or more third parties pursuant to license agreement(s). Any removal, reproduction, reverse engineering or other unauthorized use of the software from this system in violation of the license agreement(s) is strictly prohibited.

“Set No.” described in Label means “Model No.”.

“DC 12V” in the label is not a rated voltage. It is the type of battery.
