Re: Original FCC Part 15D Application for DECT Module, Model *FV-LKVKI*
FCC ID: *ACJ96NFV-LKVKI*

To whom it may concern;

In accordance with provisions of Sections 0.457 and 0.459 of the Commission's Rules and Section 552(b)(4) of the Freedom of Information Act, we request permanent confidentiality for exhibits, which contain:

- Theory of Operation
- Schematic Diagram
- Block Diagram

The transmitter is not user adjustable and does not have a Tune-Up Procedure. These exhibits contain proprietary, confidential and trade secrets material, which would not be routinely made available for public inspection.

In accordance with FCC Public DA 04-1705, we request forty-five day short-term confidentiality, starting from the issuance of equipment authorization date, for exhibits, which contain:

- External Photograph
- Internal Photograph
- User Manual
- Test Setup Photograph

These exhibits contain pre-market information, which could give our competitors unfair advantage should this information be released before this product is actually introduced into the common marketplace.

Sincerely yours,

Ben Botros
Project Manager
Panasonic Corporation of North America
Product Safety and Compliance Department
