Subject: Request for Information  
Minimum 500 kHz BW Requirement

This is in response to your e-mail of September 3, 2002 requesting information regarding compliance of the above-captioned device with the 500 kHz bandwidth requirement. Following communication on this matter between Julius Knapp, Deputy Chief of the Office of Engineering and Technology, and representatives from Matsushita, we understand that this request for information has been superseded by subsequent events and that Matsushita may proceed under its existing authorization.

Please let us know if you have any questions, or if you still require the requested information.

Best regards,

  
Richard Mullen  
Group Manager
