Dear sir/madam:

**Re: Request for Confidentiality**

We hereby request that the documentation listed below, submitted with the application for certification, be withheld from public disclosure. This request is made under the provisions of Section 0.457(d) of the Commission's Rules, and Section 552(b)(4) of the Freedom of Information Act. We cite trade secrets as the reason and purpose of the request.

**Comment [y1]:** You probably need to change this to "certification". Check with @Road and see what kind of application they will file. According to FCC, no equipment can be type accepted now.
