RE: FCC ID: ACJ9TGCF-721

Attention:

I have a few comments on this Application.

- 1 The FCC server cannot read pdf files with Asian fonts. Please provide the following pdf files without Asian fonts – RF Exposure Statement(22KE0005-YW).PDF – TestReport(22KE0005-YW).PDF -- TestData(22KE0005-YW).pdf
- 2 The manual statements are provided in a word document, however, the FCC requires that when possible, the entire manual be provided with the application. If the manual is too large of a file it should be broken into several parts. Please provide the complete or a draft of the complete manual..

A handwritten signature in black ink that reads "Dennis Ward". The signature is fluid and cursive, with "Dennis" on the top line and "Ward" on the bottom line.

Dennis Ward

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination.

Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
