RE: Certification Application  
FCC ID: ACJ9TGCF-M34

Please be informed that the wireless LAN module installed in the equipment is produced and provided by another manufacturer, not us, Matsushita Electric Industrial Co., Ltd. Internal photos of the module with shield removed contain the information to be considered trade secrets and proprietary of the manufacturer. If made public, the information might be used the disadvantage of the manufacturer in the market place.

In addition, this part of the equipment is professionally installed and is not usually accessible to the end user both during and after use. Moreover, the shields on the equipment are soldered and special tools are required for removal. It is not expected to be done by the end user.

Thus, we, Matsushita Electric Industrial Co., Ltd. request these photos to be held as confidential.

Thank you for your understanding to this matter.

Sincerely,

Yukata (Terry) Miyake  
Senior Coordinator, Technical Regulations,  
Engineering Control Group  
Technology Center
