Statement

This Wireless LAN Module is only used to the Display (CF-VDW07) and the Personal Computer (CF-07).

On 11 Sept., we submitted the application documents including SAR test data of the Personal Computer (CF-07) only. But, since there is prospect that the display (CF-VDW07) may be also used within 20 cm with fitting on the body, the SAR test for the display was also performed additionally. Following the above, please also find the revised manual of the display (CF-VDW07) with the manual statement.

Sincerely yours,
