**0.459 Request that submitted material be withheld from Public Inspection**

It is requested that the following material be withheld from public inspection:

Description of 4041A eProx Lock Module Circuit Functions, and how the device operates,  
Block Diagram  
Schematic

These materials are considered HID Corporation Proprietary and Confidential.

Revealing the fundamental design for the product to the public and our competition would put us at a competitive disadvantage.

We feel we have a product cost/design advantage over our competition with our Proximity Reader and therefore ask that the above-specified materials be withheld from public inspection.
