Subject: Electronic Submission for FCC ID: ADTVRA671

Dear Mr. George Tannahill

Thank you for your cooperation on our order.
Electronic submission of FCC Form 731 was send by Japan Quality Assurance Organization (JQA) as test firm, but in the application referenced above, we have confirmed them Via Yamasaki@funai.co.jp that almost of the files submitted were not openable by your system. We will try the Electronic Filing continually.
Consequently after this we will hope that the contact person on file with the FCC changes Mr. Teruaki Yamasaki (Funai Electric Co., Ltd.) into Ms. Makoto Okada (JQA00680@nifty.ne.jp).

For retrying of sending test report file, please reply above the mail address.

Yours faithfully,

(Ms) Makoto Okada
