RE: CONFIDENTIALITY REQUEST FOR MODEL PSR-310 FCC ID:ADV0713902

To Whom It May Concern:

This letter serves as an official request for confidentiality under sections 0.457 and 0.459 of CFR 47. We have requested that the block diagram, schematic diagram, internal photographs and technical description explaining the operation of the device required to be submitted with this application be permanently withheld from public review.

Reason for request: The above documents are company proprietary information that could never get into the possession of our competition.

Please contact me if there is any information you may need.

Sincerely,

A handwritten signature in black ink, appearing to read 'S. Shitara', with a long horizontal flourish extending to the right.

Sadanori Shitara  
Manager of the Engineering & Development Division
