Subject: Confidentiality Request; Certification Application FCC ID: AEJSH202075

Pursuant to Sections 0.457 and 0.459 of CFR 47, Sensium request that the following information, provided to support the FCC application for the Sensium Vitals US Base Station module, FCC ID: AEJSH202075, be held permanently confidential:

- Bills of Materials
- Operational description
- Schematics
- Block diagrams/Flow charts

The above material contains trade secrets not customarily released to public that are judged to have the potential to cause detriment to the applicant and provide unjustified benefits to its competitors. This information should not be available for public disclosure for an indefinite period.

We also request that the following exhibits, provided to support the same application, be held short term confidentiality:

- Product photographs (internal and external)
- User Manuals

Start Date: 18th January 2022

End Date: July 16th 2022

Yours sincerely
