Soft Keys

You can select the menus, which are described at the bottom line of the display by pressing the corresponding soft keys (left/right). In this User Manual, the explanation for selecting such menus are as shown below:

Press Memo (right softkey).

(Press the right softkey corresponding to Memo).

Turning your Phone On and Off

Turning your Phone On:

To turn your phone on, press END/.

Once your phone is On, it displays "Looking for service...", indicating that your phone is searching for a signal. When your phone finds a signal, it automatically enters Standby mode – the phone's idle state. At this point, you are ready to begin making and receiving calls. If your phone is unable to find a signal after 15 minutes of searching, a Power Save feature is automatically activated. When a signal is found, your phone automatically returns to Standby mode.

In power save mode, your phone searches for a signal periodically without your intervention. You can also initiate a search for PCS Service by pressing any key (when your phone is turned On).

Tip: The Power Save feature helps to conserve your battery power when you are in an area where there is no signal.

Turning your Phone Off:

Press and hold END/ for two seconds until you see the powering down animation on the display screen.

Your screen remains blank while your phone is off (unless the battery is charging).

Unlocking the Phone

1. Press END/ to turn the phone on.
2. Press Unlock (left softkey).
3. Enter your four-digit lock code. For security purposes, the code is not visible as you type.

Using the Battery

Installing the Battery

Your PCS Phone comes with a Lithium Ion battery. Follow these steps to install it:

1. Place the battery into the space beneath the antenna with the metal contacts at the bottom, facing downward.
2. Gently press down until it's in place and the battery release latch snaps.

Removing the Battery

To remove your battery for charging or for other reason, follow these easy steps:

1. Make sure the power is off so that you don't lose any stored numbers or messages.
2. Press up the battery release latch and hold the battery.
3. Then pull it up and out at a 45-degree angle.

Charging the Battery

Your PCS Phone comes with a rechargeable battery. You should charge the battery as soon as possible so you can begin using your phone.

Keeping track of your battery's charge is important. If your battery level becomes too low, your phone automatically turns off and you'll lose all the information you were just working on. For a quick check of your phone's battery level, glance at the battery charge indicator located in the upper-right corner of your phone's display screen. If the battery charge gets too low, the battery icon appears and the phone sounds a warning tone. Always use a recommended Desktop Charger, Travel Charger or Vehicle Power Adapter to charge your battery.

Warning! Using the wrong battery charger could cause damage to your phone and void the warranty.

Using the Travel Charger

To use the travel charger provided with your phone:

1. Plug the travel charger into a wall outlet.
2. Plug the other end into the travel charger into the bottom of your phone (with the battery installed).

- Charging when your phone is turned on:
  The battery icon appears on the display while charging.
  The battery icon turns to when charging is complete.
- Charging when your phone is turned off:
  The battery icon appears, and the message "BATTERY CHARGING-Power

Off-" is shown on the display while charging. When the battery is completely discharged, you may wait for several minutes until the message is shown on the display. The battery icon turns to , and message changes to "CHARGING COMPLETE-Power Off-" when charging is complete.

Displaying your Phone Number

To display your phone number:

1. Press MENU/OK to display the main menu.
2. Highlight **Phone Info** and press MENU/OK.
3. Highlight **Phone#/User ID** and press MENU/OK.

Note: To access the phone's main menu, press MENU/OK from Standby mode. Menu items may be selected by highlighting them with the Navigation key and pressing MENU/OK, or you can press the number corresponding to the menu item on your keypad.

Making and Answering Calls

Making Calls
