Hi Dennis,

Please find my answers to your questions below:

- (1), (2),(3) & (6) Please find the revised test report with referenced to the correct TIA-603 (01-Nov-2002) Procedure, removal of CISPR 22 and 99% OBW measurements.
- (4) The MPE calculation was uploaded to ATCB RF Exposure Info per your request
- (5) The attestatio for complaince wiht 80.225(a) was uploaded to ATCB folder.

Tri Luu, P.Eng.
Ultratech Engineering Labs Inc.
