RE: FCC ID: AFJ297400 Request for supercede of RF Exposure document and users manual

Please replace IC-A210\_RFExposure.pdf and IC-A210\_UserMan.pdf with the new revised documents IC-A210\_Userman\_rev.pdf and IC-A210\_RFExposure\_rev.pdf.

Per the applicant "...the RF safety distance specified in the user's manual was revised from 38cm to 36 cm."

Everything else remains the same, and the compliance is not affected.

Thank you
