Declaration of Product Modifications

This is to request a Class II permissive change for **FCC ID: AFJ357600**,
IC: 202D-357600, originally granted on **03/28/2014**.

The major change filed under this application is:

- Add the frequency bands 5250-5350MHz and 5470-5725MHz by software.
- All other hardware is identical to original granted.

Sincerely,

Hideji Fujishima / General Manager
