Subject: Manufacture's Letter

Applicant: Icom Incorporated  
Product: Scanning Receiver  
Model: IC-R8600  
FCC ID: AFJ381801

Dear Sir/Madam,

Please be advised that the manufacture will ensure that the above-referenced model will be manufactured in accordance with the FCC Rules and Regulations. These scanning receivers are manufactured exclusively for, and marked exclusively to, entities described in 18 U.S.C. 2512(2), or are marketed exclusively as test equipment pursuant to Sec.15.3(dd). They are also labeled for exclusive use by Government users.

This device is marketed to Federal Government use only, and Icom will not offer marketing to general public nor state/local government user.

Thank you for your attention to this matter.

Icom Incorporated

Hideji Fujishima  
General Manager of Quality Assurance Department

A handwritten signature in black ink, appearing to read "Hideji Fujishima", with a long horizontal flourish extending to the right.
