To Whom It May Concern

Subject: Manufacture's Letter

Applicant: Icom Incorporated

Product: Scanning Receiver

Model: IC-705

FCC ID: AFJ407500

Dear Sir/Madam,

Please be advised that the manufacture will ensure that the above-referenced model will be manufactured in accordance with the FCC Rules and Regulations. These scanning receivers are manufactured exclusively for, and marked exclusively to, entities described in 18 U.S.C. 2512(2), or are marketed exclusively as test equipment pursuant to Sec.15.3(dd). They are also labeled for exclusive use by Government users.

Thank you for your attention to this matter.

Icom Incorporated

A handwritten signature in black ink, appearing to read "A. Tomiyama". The signature is fluid and cursive, with a large initial "A" and a long, sweeping underline.
