

United States Federal Communications Commission
45 L Street NE, Washington, DC 20554

Date: 16 May 2023

To Whom It May Concern :

This letter grants authorization for representatives of Icom Inc. to apply to the FCC for a change in identification as specified under 47 CFR2.933 of the FCC rules.

This authorization applies to the Iridium Satellite LLC 9523N Iridium Module, FCC ID: Q639523N, with an original grant date of April 26, 2016.

Please be advised that Icom Inc. intends to market the above referenced product under their own FCC ID: AFJ410810.

Sincerely,

A handwritten signature in blue ink, appearing to read "Daniel Tillet", written over a blue circular stamp.

Daniel Tillet

Director, Product Management

Iridium Satellite LLC
