The image shows the top surface of a black, rectangular electronic device. The device has a textured, slightly grainy finish. On the left side, the brand name "ICOM" is printed in white. The "I" is a simple vertical bar, the "C" has a small circle above it, and "O", "M", and "O" are simple block letters. Below the main body of the device, there are several black, cylindrical protrusions or connectors. The background is a plain, light-colored surface.
