

This device complies with Part 15 of the FCC Rules.  
Operation is subject to the following two conditions:  
(1) This device may not cause harmful interference,  
and (2) this device must accept any interference  
received, including interference that may cause  
undesired operation.

**WARNING:** Modification of this device to receive  
cellular radiotelephone service signals is prohibited  
under FCC and Federal law.
