

ICOM

PTT

A black, rugged handheld radio with a textured surface. The front face features a speaker grille with five vertical slats. On the left side, there is a microphone and a PTT (Push-to-Talk) button. A gold-colored connector is visible at the top left. The ICOM logo is printed in white on the upper left. A small rectangular button with the word "ATTN" is located on the right side of the speaker grille. The radio is shown from a slightly elevated perspective against a white background.
