Carmel, IN 46032

Timco Engineering, Inc.

25 June 2012

FCC ID: AIERIT17-145

Re: Class II permissive change

Ritron would like to add emissions designators 11K0F2D and 11K0F3D to Ritron product FCC ID AIERIT17-145. The unit remains "electrically identical" to the original. Literally, no changes were made to the hardware or firmware. Attached is a test report showing compliance with the narrowband emission mask D.
