I, Dennis Zimmerman, am now, and have been for the past fourteen years employed as a project engineer with RITRON, Inc. I have been employed in the two-way radio industry for the past 26 years. I received a BSEE degree from the University of Cincinnati in 1977.

I hereby certify that all the measurements and data herein were taken by me, or under my direct supervision and that they were obtained using sound and accepted engineering principles and that they accurately reflect the performance and characteristics of the unit tested.

Further, I attest that manufacturing controls exist such that this data are representative of units which will be manufactured by RITRON.
