WRT-701X

Exhibit J – Section 1: WRT-701X Parts List

Figure	Rockwell Collins Parts List Part Number	Item Description	Page
J-1	828-0066-050	A1 Interconnect Parts List	J-3
J-2	828-0070-050	A2 Low Volt Power Supply Parts List	J-7
J-3	828-0076-004	A8 2 nd IF Parts List	J-16
J-4	828-0171-007	A31 Sampler Card Parts List	J-21
J-5	828-0069-010	A32 DSP Parts List	J-28
J-6	828-0133-120	A33 I/O Card Parts List	J-32
J-7	828-0134-010	A34 CPU Card Parts List	J-40
J-8	828-1298-050	A50 DDS RF Card Parts List	J-49
J-9	828-1299-050	A50 DDS Digital Parts List	J-55
J-10	270-2778-020	A51 RF Module (No parts list Module Replacement)	J-62
J-11	828-1565-002	A52 Distribution Assembly Parts List	J-63
J-12	828-1495-001	A53 Bite Power Supply Parts List	J-71

Note: Cost saving measures have been implemented by Rockwell Collins regarding “A” ECO’s. Instead of updating the drawing each time a revision is made, policy now states that this type of ECO may include up to five revisionsubmittals before the drawing must be updated by mechanical drafting. Therefore, the actual redlines may be seen in the released version of a drawing that contains an “A” ECO not yet implemented.
