Mr. Andy Leimer
Federal Communications Commission

Columbia, MD 21046

Dear Mr. Leimer:

We have received the Rockwell Collins letter for the Federal Communications Commission (FCC) certification application of the transceiver, Model ISS-2100, FCC ID AJK8222120, dated August 25, 2008, and have completed the subject review. We have no objection to the FCC certification of this airborne Integrated Surveillance System transceiver which is part of the system, to integrate several traditional collision avoidance functions and perform interrogation for aircraft position, in order to provide traffic advisory, as needed.

If you require any additional information, please contact Ms. Annette Allender, Spectrum Planning and International Office, at (202) 267-3893.

Sincerely,

A handwritten signature in black ink, appearing to read 'R. Frazier', with a long horizontal line extending to the right.
